Historic Edwards Place

I want to help!

☐ I’d like to buy a copy of Edwards Place: A Springfield Treasure, for $35. (100% of the purchase price goes to fund the restoration of the second floor of Edwards Place!)

☐ I’m interested in becoming a Saturday docent or special events volunteer. Please contact me with information.

☐ I’m enclosing a donation to support the full restoration of Edwards Place.

You can also help by reviewing Edwards Place on Trip Advisor and by posting about Edwards Place on social media. Let’s spread the word about this jewel of historic Springfield!

On your tour you’ll see historic treasures including original family furnishings and portraits, and the “courting couch” on which Lincoln and Mary Todd sat during the early days of their romance. Peel back layers of the house’s history as you peek into the walls to see original masonry and scraps of wallpaper side-by-side with their reproduction patterns. Best of all, you are invited to sit on the antique furniture (except original pieces) to get a true feel for what it was like to live in the 19th century!

Children will enjoy the playroom, where they are welcome to handle examples of 19th century toys, books, and games actually used by the Edwards family!

Benjamin and Helen Edwards invite you to visit their beautiful home.
